# Freshman Tournament

Your help is needed! **September 11th** is the Freshman tournament held at both Central High School and Hillwood Middle School. We would like for our parents to help pick up food and deliver to the both schools before the tournament and at lunch. In 2019, we had over 20 restaurants donate food to our tournament and we were so full! If you would like to sign up and help out with the tournament please contact Coach Pollock and Coach Ritter.

All athletes are expected to either play or work in this tournament.

# Program Expectations

- It is an expectation that all players attend all team meetings, practices, and competition
  - Players must complete practices, prior to competition, to be able to participate in games.
- The athlete, not the parent, must notify the coaching staff of an absence before 11:00am for the absence to be considered excused.
  - After a practice is missed, excused or unexcused, each athlete must run an 800 and 6 sets of lines for each practice missed before playing in the next match.
  - Unexcused absences will prevent an athlete from playing in the next match.

# Program Expectations

## No Cell Phones

**On game days, athletes will turn in their cell phones at 4:00 for 9A/9B and JV and at the beginning of athletics for Varsity.**

**All athletes will get phones back after the last match has finished for home matches and on the bus headed home for away matches.**

# Program Expectations

## Leaving after school on game days

All athletes will remain on campus after school on home game days. Parents are welcome to bring food or you can purchase pregame meals from Chick-Fil-A and ??? (a sandwich restaurant yet to be determined)

This is an attempt to minimize any outside distractions--we need to get focused for the upcoming match.
